Federal Opportunities

Bilingual Education State Grant Program. *The Department of Education* announces funds for State Educational Agencies (SEAs) to: 1) assist local educational agencies with program design, capacity building, assessment of student performance, and program evaluation; and 2) collect data on the State's limited English proficiency population and the educational programs and services available to that population. Only SEAs are eligible. Five awards up to \$100,000 will be made. For further information, contact Luis Catarineau (202) 205-9907.

Urban Park and Recreation Recovery Program. *The National Park Service* solicits preapplications (mandatory) for grant funds to rehabilitate existing neighborhood recreation areas and facilities that have deteriorated to the point where health and safety are endangered or the community's range of quality recreation service is impaired. Urban jurisdictions are eligible. \$300,000 is the maximum amount that can be awarded within any one State. For more information in the Northeast (incl. DC, MD, VA), contact the Philadelphia office at (215) 597-9195.

District Opportunities

Youth Substance Abuse Prevention. *The DC Department of Health's Addiction Prevention and Recovery Administration* solicits applications for the provision of science-based programs to prevent substance abuse in high-risk youth. The programs are targeted toward youth between the ages of 12 and 17. Eligible organizations include non-profit community-based organizations, parent groups, and faith-based organizations. The District will award eight \$100,000 grants, one in each of the city's eight wards, and twelve \$75,000 grants to organizations located throughout the city. The deadline for

submission is February 28, 2000. The Request for Application (RFA) is available at OGMD, 717 14th Street, NW, Suite 1200, Washington, DC 20005. For additional information, call (202) 727-6537.

Youth Leaders in Tobacco Control Programs. *The DC Department of Health* is soliciting grant applications from organizations to develop youth leaders (12-18 years-old) to assist with programs that prevent smoking prevalence and initiation among youth. A total of \$85,000 is available to fund four grants each for \$15,000-\$25,000. The grant categories are: public awareness about tobacco laws and policies; media and music; tobacco control education; and reaching out to diverse groups. The deadline for submission is January 18, 2000. Applications will be available on December 21, 1999 by calling the Tobacco Program at (202) 442-5433.

Private Funding Opportunities

Education and Affordable Housing. *The First Union Foundation* promotes self-sufficiency by providing small grants for direct services and new projects in the areas of education and affordable housing. Applications are reviewed four times per year and the next deadline is February 5, 2000. For more information, contact a local First Union bank or the corporate office at (704) 374-4689. Also visit www.firstunion.com and click on "community involvement."
